LSU 4-H Mini Barn

DIRECTIONS

We are located behind the Parker Coliseum at the 4-H Mini Barn and Nelson Memorial on the LSU campus. You may get there down Acadian Thruway- becomes Stanford and right after you pass the lakes turn right at the light onto S. Stadium.

There are 3 streets that make a triangle where the Coliseum, 4-H Mini Barn and all the parking are located.

- They are Highland Rd., W. Lakeshore Dr. becomes S. Stadium Dr and S. Parker Blvd. You may park in front of the Parker Coliseum, which is on the corner of Highland and S. Stadium Dr.
- Or you may go down S. Parker Blvd (first left before the Coliseum) and there are 3 entrances into parking areas that put you directly behind our buildings.
- There is also a street that goes behind the Coliseum (take a right) that is the front entrance to the Mini Barn and Nelson Memorial.
- S. Parker Blvd ends at the south gates of LSU and Highland. All these streets will be marked with Chili Cook-off signs.
